FOR IMMEDIATE RELEASE

**CURTIS DEPLOYS FACEBOOK PAGE
TO HELP ATTRACT TOP LAW STUDENTS**

August 26, 2008, New York, NY - In what is believed to be a first for the AmLaw 200, Curtis, Mallet-Prevost, Colt & Mosle LLP today officially launched a Facebook page to serve as a central component in its law school recruiting efforts. The Facebook page is available at <http://www.facebook.com/pages/New-York-NY/Curtis-Mallet-Prevost-Colt-Mosle-LLP-Careers/65459295160>.

“We are pleased to be capitalizing on the popularity of the most widely used social networking site,” said Nancy Delaney, Partner and member of Curtis’ Personnel Committee. “As a Firm, we recognized the power of this format of communication and the wide use being made of it by future lawyers.”

The Curtis Facebook recruiting page offers a wide range of information about the Firm and its summer associate program. Visitors to the page can read what former summer associates say about their experiences at the Firm. Potential recruits can easily find information about work assignments, Firm news, Firm awards and rankings, and special events, as well as a schedule of the Firm’s on-campus interviews.

Curtis will be re-launching its own website with a variety of new technologies this Fall.
