## ATTORNEY PROFILE

### Christopher Driscoll Associate

#### London

PHONE: +44 20 7710 9848

FAX: +44 20 7710 9801

Mr. Driscoll is an associate in the Corporate group. His practice spans the full range of corporate transactions, including representing clients in connection with initial public offerings and other securities offerings, corporate governance and disclosure matters, mergers and acquisitions, venture-backed private financings, and other transactional matters.

Mr. Driscoll has particular experience in the investment management area, focusing on all aspects of professional investment management. Mr. Driscoll's experience in this area includes advising fund sponsors and international financial institutions on the formation, structuring and ongoing compliance requirements of private investment funds, and advising independent investment managers, family offices and individual high net worth individuals on their strategic investments in the investment management area.

Mr. Driscoll has also advised numerous entrepreneurs from initial company formation to liquidity event. He has represented companies in the technology industry and other industries, including cloud computing software and services, social media and online gaming, network services and devices, data security, biotechnology and life sciences, media, public utilities, clean technology, natural resources, insurance, and finance. He previously worked in Silicon Valley and the firm's New York office.
